

conducted, the NME entity’s entries were not subject to the review and the rate for the NME entity is not subject to change as a result of that review (although the rate for the individual exporter may change as a function of the finding that the exporter is part of the NME entity). Following initiation of an antidumping administrative review when there is no review requested of the NME entity, Commerce will instruct CBP to liquidate entries for all exporters not named in the initiation notice, including those that were suspended at the NME entity rate.

All requests must be filed electronically in Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) on Enforcement and Compliance’s ACCESS website at <https://access.trade.gov>.⁷ Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on the petitioner and each exporter or producer specified in the request. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.⁸

Commerce will publish in the **Federal Register** a notice of “Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation” for requests received by the last day of

December 2021. If Commerce does not receive, by the last day of December 2021, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, Commerce will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional measures “gap” period of the order, if such a gap period is applicable to the period of review.

This notice is not required by statute but is published as a service to the international trading community.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Multilayered Wood Flooring From the People's Republic of China: Notice of Amended Final Results of Countervailing Duty Administrative Review; 2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is amending its notice of final results of the 2018 administrative review of the countervailing duty (CVD) order on multilayered wood flooring (wood flooring) from the People's Republic of China (China).

DATES: Applicable December 1, 2021.

FOR FURTHER INFORMATION CONTACT: Dennis McClure, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5973.

SUPPLEMENTARY INFORMATION:

Background

On October 20, 2021, Commerce issued the final results of the 2018 administrative review of the CVD order on wood flooring from China, which was subsequently published in the *Federal Register*.¹ On October 25, 2021, Dalian Shengyu Science and Technology Development Co., Ltd. (Dalian Shengyu) requested that Commerce correct a typographical error, stating that Commerce did not include the complete spelling of its name in the *Final Results*, which is necessary to ensure proper administration by U.S. Customs and Border Protection (CBP).² On October 25, 2021, mandatory respondent Jiangsu Senmao Bamboo and Wood Industry Co., Ltd. (Jiangsu Senmao) submitted a ministerial error

allegation alleging that Commerce did not include the EU market price for pine plywood in its benchmark price for plywood as it did in the preliminary results.³ On October 27, 2021, the petitioner American Manufacturers of Multilayered Wood Flooring submitted ministerial allegations alleging that Commerce incorrectly calculated the fiberboard benchmark price for Jiangsu Senmao and should not have included domestic benchmark prices in the plywood benchmark calculation for both Jiangsu Senmao and the other mandatory respondent, Riverside Plywood Corporation and its cross-owned affiliate Baroque Timber Industries.⁴ The petitioner also alleged that Commerce should recalculate the non-selected respondent subsidy rate based on any corrected calculations. On November 1, 2021, Jiangsu Senmao replied to the petitioner's ministerial error allegations regarding the inclusion of domestic pricing data in the plywood benchmark calculation.⁵

Scope of the Order

The product covered by the *Order*⁶ is multilayered wood flooring from China. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum in the *Final Results*.⁷

Ministerial Errors

Section 351.224(e) of Commerce's regulations provides that Commerce will analyze any comments received and, if appropriate, correct any ministerial error by amending the final results of the review. Section 751(h) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.224(f) define a "ministerial error" as an error "in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial."

³ See Jiangsu Senmao's Letter, "Ministerial Error Comments," dated October 25, 2021.

⁴ See Petitioner's Letter, "Ministerial Error Allegations," dated October 27, 2021.

⁵ See Jiangsu Senmao's Letter, "Reply to Ministerial Error Allegations of American Manufacturers of Multilayered Wood Flooring," dated November 1, 2021.

⁶ See *Multilayered Wood Flooring from the People's Republic of China: Countervailing Duty Order*, 76 FR 76693 (December 8, 2011) (*Order*); see also *Multilayered Wood Flooring from the People's Republic of China: Amended Antidumping and Countervailing Duty Orders*, 77 FR 5484 (February 3, 2012) (*Amended Order*); and *Multilayered Wood Flooring from the People's Republic of China: Final Clarification of the Scope of the Antidumping and Countervailing Duty Orders*, 82 FR 27799 (June 19, 2017).

⁷ *Final Results* IDM at 4-5.

In light of the ministerial error comments, we reviewed the relevant record information and determined, in accordance with section 751(h) of the Act and 19 CFR 351.224(e) and (f), that we made the following ministerial errors in the *Final Results*:⁸

(1) We incorrectly removed the EU market price for pine plywood from the plywood benchmark price calculation used in Jiangsu Senmao's benefit calculation for the plywood for less than adequate remuneration (LTAR) program. Therefore, we have corrected Jiangsu Senmao's plywood benefit calculation in these amended final results, and we will incorporate the Jiangsu Senmao's corrected total subsidy rate in the amended cash deposit instructions and liquidation instructions.

(2) We incorrectly calculated the total fiberboard benchmark price (inclusive of freight) used in Jiangsu Senmao's benefit calculation for fiberboard for LTAR program by adding benchmark prices denominated in Chinese renminbi and freight costs denominated in U.S. dollars without making the necessary currency conversions.

Therefore, we have corrected Jiangsu Senmao's fiberboard benefit calculation in these amended final results, and we will incorporate Jiangsu Senmao's corrected total subsidy rate in the amended cash deposit instructions and liquidation instructions.

(3) Finally, we inadvertently misspelled Dalian Shengyu's name in the *Final Results* and draft cash deposit and liquidation instructions. Therefore, we have corrected the spelling of Dalian Shengyu's name in these amended final results and in the CBP cash deposit and liquidation instructions.

With regard to the petitioner's allegation that we erred in including domestic prices in the plywood benchmark price, we find no ministerial error because we made a methodological decision to include such prices in the plywood benchmark calculation.

Amended Final Results of Review

As a result of correcting the alleged ministerial errors noted above, we determine that the following countervailable subsidy rates exist for the POR.

Producer/exporter	Subsidy rate (percent)
Jiangsu Senmao Bamboo and Wood Industry Co., Ltd	6.13
